EXPERIENCE

Cyber intern 2025/01/06 - 2025/04/31
Deviare

As a full-time onsite Cyber Security Intern at Deviare, I participate in structured training, hands-on projects, and certification preparation to develop my skills in cybersecurity.

Developer intern 2023 - 2024
Nelson Mandela University, Port Elizabeth

As a full-time onsite Full-Stack Developer Intern at NMU, I work on front-end and back-end development, manage databases, and create reports for database jobs to support data analysts, while gaining hands-on experience through structured training and mentorship.

Junior app developer 2-months
PaySignal(remote)

As a remote developer, I specialized in frontend development using React Native, seamlessly integrating data through RESTful APIs. I collaborated closely with backend developers working with Django to ensure efficient, scalable, and maintainable application architecture
